Dear Mr. King:

The Life Skills Center of Northeast Ohio Board of Directors Safe School Policy requires that the School Leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reporting via this letter that your School has had zero verified acts of harassment, intimidation, and bullying for the second half of the 2013-2014 school year from January through June 2014.

We appreciate all that you do for your School and will continue to follow Board Policy requirements on reporting.

Very truly yours,

Rebekah Kusar
